

Mayor Agrees On School Safety Plan

Recommends Continued Use Of Temporary Stops At Major Crossings

A recommendation for continued use of portable traffic lights and turn stops at major school crossings will be made at tonight's Granite City school board meeting.

Mayor Davis, who is in Philadelphia, told the Press-Record Friday before he left for the conference of mayors, that the recommendation would be presented by A. W. Pearson of the city engineering staff and Police Lt. Paul Moore.

Concern over safety of school children with removal of protective measures was expressed last week during a special meeting held at the Granite City school board offices.

Because of the new uniform traffic code of the U. S. Department of Commerce, Bureau of Public Roads, the city has contemplated having the roll-out electric school signals and turnable stop signs.

Safety Over Liability

However, Mayor Davis stressed the safety of school youngsters overshadows any liability to the city in the possible illegal use of the devices.

"I'm going to recommend that the council act down with the engineer and figure costs for installing regulation electric school signal lights at major crossings," the mayor said. "The signal, which may be installed with motor fuel tax funds, would cost \$3150 for each crossing."

"We might be short on motor fuel tax funds, but child's life is worth more than a new street," he added.

Proposed Locations

Consideration is to be given to locating the two-phase signals, similar to the one on Madison avenue at 29th street and another to go into operation this year at West 25th street and Madison avenue, at the following locations:

On Madison avenue at 22nd and 26th streets, on Pontoon road at the Nameoki and St. Elizabeth grade schools and on Johnson road at Prohardt grade school. Five signals would cost about \$15,750.

The state is to install electric signals in conjunction with the Nameoki road widening project at the Pontoon road and Johnson road intersections.

School authorities became concerned with safety of school youngsters in July when the city announced it would follow the uniform traffic code which prohibits turnable school stops and roll-out traffic lights.

At last week's meeting of school, safety and parent organization representatives, a committee was named to meet with the council on the matter.

Explains New Code

George L. Crawford, district traffic engineer of the Illinois Division of Highways, has advised the city and school authorities that temporary stop signs, either roll-out or turnable, which are in effect only during certain school hours, have never been legal in Illinois.

"The state has until Jan. 1, 1967, to comply with the code," Crawford said.

Deputy Captures Bandit In 3 Hours

Mitchell Man Admits \$222 Stickup; Most Of Loot Recovered

The lone bandit who held up a Pontoon Beach tavern Thursday was arrested less than three hours later. William B. Cawley, 33, was arrested at his home, 644 Barkley, Mitchell, and charged with armed robbery.

He was apprehended only two hours and 45 minutes after the stickup and a "beer truck" driver was robbed of a total of \$222.

Ball was set at \$100,000 Friday at Alton Justice of the Peace George Berry. Cawley still was in Madison county jail today, however, having failed to make bond.

Cawley admitted the holdup and re-enacted the crime for sheriff's deputies. He was identified by two of the victims. Most of the loot was found in his home and the gun was found in his garage.

Man Walked Into Tavern

He then pushed a submachine gun into the side of Mrs. Lola Moehle, 4340 Lake drive, a customer who was seated at the bar.

"This is it," he said. "Give me the money."

But Dittie, a beer truck driver who also was sitting at the bar, told Hirtz, "He's got a gun on her. You'd better give him the money."

Hirtz gave him \$39 from the cash register which Cawley put in his pocket.

"You, too," the bandit said to Dittie. The driver, a Belleville resident, handed over \$163 in cash. The bandit refused some change.

Forces Woman Across Room

He then forced the woman to walk across the room with him to a wall phone near the side door.

He kept one arm clamped around her neck and with the other hand he forced her to dial the number.

He then pushed a submachine gun into the side of Mrs. Lola Moehle, 4340 Lake drive, a customer who was seated at the bar.

Health Stressed; Doctors Endorse City Sewer Plan

"The health of the community is at stake," local physicians stated Thursday evening in adopting a resolution pledging support of the city's sewer-drainage-pollution abatement program. The action was taken at a regular meeting of the Tri-City Medical Society.

In voting their support, the 22 local doctors pointed out the separation of sanitary and storm water sewage, planned in the \$100,000,000 program, would halt the frequent backup of raw sewage into streets and basements. The health menace occurs when storm water overtaxes the present combined sewer system.

"This has always been a problem in Granite City—a threat to the community's health with raw sewage backing into streets and homes. We can correct this by voting for the bond issue on Oct. 2," a doctor commented.

The medical society's meeting was held at the Rose Bowl restaurant with 22 of the 27 members in attendance. Dr. Irvin Wiesman presided.

GC Optimist Club Votes Unanimously For Sewer Program

The 107-member Granite City Noonday Optimist Club voted unanimously endorsement of the city's \$100,000,000 bond issue for sewers, drainage and pollution abatement.

Action was taken Thursday afternoon during the club's regular meeting at the Elks Lodge, 2222 E. 10th St., a past president of the club and a member of the Citizens Sewer & Drainage Committee requested the vote. The club had heard an outline of the sewer program at an earlier meeting.

Donald Z. Farrington, club president, said the vote favoring the city-wide improvement, which will be submitted to Granite City voters at a special election Oct. 2, was unanimous among the 40 members present.

The club's afternoon program also included a film shown by Max Forster of Illinois Power & Light Co. The movie, "The Anatomy of an Accident," outlined safe driving practices.

Production To Resume At Fire-Damaged Plant

Production was expected to begin again this afternoon at the Johns-Manville Products Corp. plant in Venice, which was damaged by fire Friday night.

Plant officials said maintenance men worked Saturday and Sunday to get plant equipment ready to go back into operation. Damage by the fire was confined to the roofing machine section of the plant.

No estimate of damage by the blaze was available at noon today, as plant officials still were studying reports. A spokesman said a section of the roof was damaged, along with machinery.

The fire began at 8:15 in a saturator in hot asphalt. The cause has not been determined. Night shift production workers were in the plant at the time.

The Venice fire department was called to the scene and equipment from Madison also was dispatched. The Madison equipment returned to the station when Venice reported the fire under control.

Monthly Sewer Rate Based On Water Use, Size Of Meter

Questions concerning the minimum \$3.25 monthly fee for Granite City's drainage-sewer pollution abatement program head the list of those being asked members of the Citizens Sewer & Drainage Committee.

The \$3.25 fee is based not only on the amount of water used in a residence—the winter quarter—but also on the size of the water meter.

A study by the project engineering firm shows that more than 80% of the Granite City households would qualify for the minimum rates based on water consumption during winter months.

\$1396 Cash And Stocks Stolen From Restaurant

Burglar Knew Hiding Place; Five Other Minor Thefts In Quad-Cities

A thief who knew exactly where to go stole \$1395 in cash and stocks from the Grand Cafe, 1413 Twentieth street, in a burglary discovered early yesterday morning.

Entrance was gained by forcing a drive-up service window on the alley. Only the metal cabinet where the money and securities were kept was disturbed.

"The burglar knew what he was doing," said Charles "Bill" Burns, owner. "He didn't open another drawer in the place. Just went right to the money."

The cash and securities were valued at \$1395. The stolen securities consisted of 300 shares of Eagle International stock, quoted this morning at \$375 and 100 shares of Texas Capital, quoted at \$457. The stock is registered in Burns' name and is not negotiable. A stop order has been placed on the stock and any person attempting to sell it will be subject to penalties for fraud.

Burns said he left the restaurant at 9 p.m. Saturday. A waitress, Leila Sorenson, discovered the theft Sunday morning at 6 a.m.

Burns said he would not leave cash in the restaurant overnight again.

Break-In Attempt

An attempt to enter the H&R Furniture store was thwarted by a retail outlet, 1818 Cleveland boulevard, was made over the weekend. Police discovered last night that a rear window had been smashed, but entrance apparently was not gained.

While O. C. Tally, Edwardsville, was in church Sunday night thieves stole the spare tire and wheel from his auto which was parked at 24th street and Grand avenue.

Norma Gladstaf, 2126 Illinois avenue, reported to Granite City police Saturday morning that a bulk tank of gasoline was taken from her auto while it was parked in front of her home.

Camera Taken

Dean Little, 2239 Delmar avenue, reported to Granite City police Thursday afternoon that a 35-millimeter camera with flash and carrying case was stolen from his auto as it was parked on 20th street near State street.

The department was alerted by Glen King, 2309 Hemlock street, an employee of Granite City Steel Co., Thursday while the camera was missing.

New Post Office Building Bids Still Being Reviewed

Lease bids for a new main post office building for Granite City are still being reviewed in Washington, D. C.

H. W. Loch, regional real estate officer for the postal department of Peoria, told the Press-Record today the original bid bonds for the five bidders will come on Wednesday, but that extensions probably will be obtained.

The bids were received on June 19 for the proposed new post office to be located at the north end of the city-owned block at Madison avenue and 24th street.

New Date Set

"I don't know when the Post Office Department will act on the proposals, but I know they are reviewing them and checking on responsiveness and acceptability," Loch said.

The department last year rejected several bids on technicalities. They ranged from \$31,985 to \$45,800.

Apparent low bidder in the new call is the Central Investment Co. of Tulsa, Okla., with an annual lease figure of \$32,540, based on a 20-year lease. Other bidders are Park Hill Investment Co., St. Louis, \$33,500; Michael Chemick, Detroit, Mich., \$35,500; Julius Greenberg, St. Louis, \$36,000; and Joe Skilkin, Columbus, O., \$38,375.

The Post Office Department plans a preliminary design drawing, similar to the fire station at the other end of the block. The structure would contain 15,900 square feet of space.

other hand he kept the gun pressed into her side.

"He handed me the receiver and told me to pull the phone off the wall. I told him I wasn't strong enough and he said, 'I'm sorry I have to do this' and started to cry."

"I wasn't afraid of him," she said, "but I thought he was going to hit me on the head with that gun."

The bandit then told her he was not going to hurt her and tore the receiver from the phone himself.

"You can call the police in five minutes," he said and left by the side door.

Had Turned Off Motor

Mrs. Moehle said he did not even leave his auto running.

He had a little trouble starting it and it backfired once.

"He didn't even park it or put it in gear," she said.

He headed it into the side of the building so he had to back up and turn around to get away," she said.

The truck driver supplied police with a description of the auto and a description of the victim.

The victim also gave a description of the bandit.

With this information, Deputy Sheriff Tony Petrillo of Granite City stalked out a section of U.S. Hwy. 66-40. At 4 p.m. Cayley drove by and Petrillo followed him home. He made the arrest there. Cayley offered no resistance.

The gun was found hidden in the garage and the money was in the house. All but \$20 was recovered.

Needed Money To Pay Bills

Cayley told police he needed the money to pay bills.

He accompanied Deputies Petrillo and Joseph Gruenfelder back to the tavern Friday afternoon and re-narrated the holdup.

He sat calmly at a table, puffing on a cigar and sipping soda pop, while the deputies interviewed Kirtz.

He identified Kirtz as the bartender he robbed. Hirtz also identified him. The truck driver and Mrs. Moehle were not present.

Using Mrs. Hirtz as a stand-in, Mrs. Moehle, he then re-narrated every detail of the stick-up.

Hirtz said several persons were present when the bandit first entered but all except Mrs. Moehle and the truck driver left within a few minutes.

The bandit reportedly is an unemployed stock worker.

Collide On Bridge

A taxi cab driven by Bonnie B. Hawkins, 25, of St. Louis, collided with the auto of Jackie L. Jones, 17, of St. Louis Saturday morning at the McKinley Bridge toll booth. Police said both cars were westbound and the cab was backing up to the booth. The Jones auto was damaged slightly.

Levee District Issuing \$318,000 In Revenue Bonds

The East Side Levee & Sanitary District will issue \$318,000 in revenue bonds to finance work on five projects within the district, including two in the Quad-City area.

District trustees accepted bids of 3 1/2 and 3 3/4 percent interest on bonds from Seasongood and Maynor of Chicago, the investment firm which will handle the bond sale.

About \$225,000 of the bond issue is earmarked for the construction of flank and front levees in conjunction with the St. Louis District Corps of Engineers.

Interest on the bonds, the last of which will mature in August of 1981, will amount to \$77,511, making the total cost of the bond issue \$405,511.

Drainage Projects

Local projects involved are the extension of a 24-inch storm water sewer in Namooki township from the intersection of Franklin and Miracle avenues and continuing east along Miracle to Vine avenue, 804 feet; and additional storm water facilities in Madison and Venice at the site of a recently completed levee drainage project there.

The Namooki project cost estimate is \$10,000, while an additional \$18,000 is to be expended at the Madison-Venice project.

A \$15,000 sum has been set aside for 18-inch storm water sewers in Alorton from 47th street to Bond avenue, a distance of 1150 feet.

An amount of \$45,350 is scheduled as the levee district's share of a joint St. Clair county-state of Illinois levee district project calling for the replacement of a bridge over the Harding ditch on State Aid Route 12.

The levee district also has pending the issuance of another \$1,300,000 in improvement and construction bonds which would raise the district's bonded indebtedness to \$13,335,446, just \$503 below the legal limit based on 1960 assessed valuation.

Farmers Receiving '63 Wheat Crop Allotments

Official notices of individual farm allotments for the 1963 wheat crop were mailed to farmers according to Edwin C. Rethmeier, chairman of the Madison County Agricultural Stabilization and Conservation County Committee. All growers should receive their notices in advance of the Aug. 30 referendum on 1963-crop wheat marketing quotas.

The chairman pointed out that the growers who voted in the referendum will be the ones who make the decision about the issue of program to be in effect for the 1963 wheat crop. He is urging all eligible voters to cast their ballots and thus "make their voices heard."

"Eligible" voters in the referendum are all those growers who will have more than 15 acres of wheat for harvest as grain in 1963 on a farm but not the wheat quota program.

In general, Rethmeier said, "the issues wheat growers will vote on will be (1) quotas including marketing penalties on 'excess' wheat of growers with more than 15 acres of wheat who do not comply with their allotments with a relatively higher price support available to those who comply with their farm allotments, or (2) no quotas (and no penalties) and a lower support to growers who comply with their allotments."

Whether or not quotas are approved, acreage allotments will remain in effect as a means of determining eligibility for the available price support. The alternative levels of support are a national average of about \$1.21 per bushel (75 percent of parity) without quotas.

Marketing quotas have been approved in similar referendums for the last nine wheat crops. In the previous two ballots, wheat quotas were approved by 79.4 percent of the growers voting in the 1962-crop program, and by 87.4 percent of the voters on the 1961-crop program.

Sacred Heart Church Scene Of Medlin-Lakatos Wedding

In a double-ring ceremony performed Saturday morning at Sacred Heart Catholic Church, Miss Pamela Lakatos, a daughter of Mr. and Mrs. Frank Lakatos, 2435 Washington avenue, became the bride of Gerald L. Medlin, a son of Mr. Rudy Streblor, 2474 Iowa street, and Lee V. Medlin, U. S. Navy, stationed in San Diego, Calif.

Rev. John Barrett heard the vows of the couple at 11 a.m. and the wedding breakfast was held directly after the service at the home of Dr. and Mrs. Daniel Jaimet, 2630 Cleveland blvd. Friends of the couple attended a reception in the evening at Sacred Heart Parish hall.

Mrs. Margaret Crawshaw was at the organ and accompanied the soloist, Richard Judd. A full length gown of white imported organza was worn by the bride. The bodice and hemline were accented with tiny embroidered daisies and larger flowers trimmed the scoop neckline. The sleeves were the traditional type, long and tapering at the hands. A fingertip veil of silk illusion, scalloped and edged with silk organza was secured by a large rose at the center front and entwined with pearlized daisies which formed a crown. White Marguerite daisies and stephanotis were combined in the bride's colonial bouquet. She was given in marriage by her father.

Miss Thelma Ward, an aunt of the bride, was maid of honor, serving with two bridesmaids, Miss Lois Medlin, the bridegroom's sister and Mrs. Janet DeGonia. The honor attendant was attired in gold chiffon with a draped bodice with a matching waistline. Her headpiece and shoes were in the same gold shade and she held gold Marguerites and baby pom-poms. The gowns of the bridesmaids were similar, except for the color. Miss Medlin was in peacock blue and Mrs. DeGonia wore French rose. Their flowers matched their dresses.

The little flower girl, Frances Ward, a cousin of the bride, dressed in white organza trimmed in white satin, carried a basket of assorted flowers. Thaddeus Lakatos, the bride's brother, was ring bearer. David DeGonia was best man for Mr. Medlin, and groomsmen and ushers included Joseph DeGonia, Paul Halbert and Dana Lakatos, all brothers of the bride.

For her daughter's wedding, Mrs. Lakatos wore aquamarine satin with shoes and hat in the same shade. The bridegroom's mother chose a beige lace and chiffon dress with a hat and shoes to match. Both wore white corsages.

The bride is a graduate of the Granite City high school and holds membership in Gamma Tau sorority. She is employed by Dr. John E. Lee as a dental assistant. Mr. Medlin, also a graduate of the local schools, is a part-time student at Southern Illinois University and is employed by the Intercontinental Corp. as a laboratory technician.

Mt. Zion General Baptist Church was the scene of a wedding Friday evening of Miss Joyce Hon, a daughter of Mr. and Mrs. Lawrence Hon, 2905 Iowa street, and Eli Hook Jr., whose parents reside in East St. Louis.

The 8 o'clock ceremony was performed by Rev. Truman Collins. Baskets of white gladioli and penn pons decorated the sanctuary lighted with candles in candelabra and the pews were marked with white ribbons.

Wedding music was furnished by Mrs. Herbert Hensley, organist, and Miss Linda Herman, vocalist. The latter sang "Because," "Whither Thou Goest" and "Wedding Prayer."

The bride's gown was made of imported Chantilly lace, the bouffant skirt flounced with tulle at the hemline. The bodice had a scalloped neckline etched with pearls, and long tapering sleeves with points at the wrists. A seed pearl coronet with a drop crystal in the front was attached to a

melody length veil of silk illusion and the bride carried a white Bible topped with an orchid and lilies of the valley. She was escorted to the altar by her father.

The only attendants were Mrs. Ralph Price, a sister-in-law of the bridegroom, as matron of honor, and George Hook, the bridegroom's brother, best man. The guests were seated by two ushers, Roy Hon of Risco, Mo., the bride's brother, and Walter Shankle of East St. Louis.

The bride's mother wore a beige linen sheath dress and dark brown accessories, while the bridegroom's mother appeared in beige linen with white accessories. Both wore white carnations.

A reception was held in the church basement after the ceremony with Miss Mary Ann Lubbert and Miss Brenda Lubbert assisting and Miss Janet Hook, a sister of the bridegroom, presiding over the guest book. After a short honeymoon in the Missouri Ozarks, the newlyweds will reside at 2747 (rear) Washington avenue. They will be at home after Sept. 4.

MR. AND MRS. JOE NEAL BANTON, who were married Saturday evening at First United Presbyterian Church, 22nd street and Delmar avenue. The bride is the former Barbara McBrian, a daughter of Mrs. Ralph V. McBrian, 2511a Grand avenue, and the late Mr. McBrian.

Double-Ring Ceremony For Banton-McBrien Nuptials

The wedding of Miss Barbara Phyllis McBrian, a daughter of Mrs. Blanche McBrian, 2511a Grand avenue, and the late Ralph V. McBrian and Joe Neal Banton, whose parents are Mr. and Mrs. Ben Banton of Frankfort, Ky., took place Saturday at First Presbyterian Church, 22nd street and Delmar avenue. Rev. David Maxton officiated at the 7:30 ceremony. The double-ring service was used.

Bouquets of white 'mums adorned the altar, lighted with candles in candelabra, and white ribbon bows marked the family pews.

Kenneth MacClatchey presided at the organ and accompanied the vocalist, Roy Hill, as he sang "If I Could Tell You" and "Ich Liebe Dich."

The bride wore a gown of de-lustered peau de soie falling from a tiny waistline in a belled skirt. The bodice featured a scoop neckline with hand-stitched Alencon lace and the lace motif was repeated on the tips of long tapering sleeves and down the front of the skirt, ending in a chapel train. A coronet of nylon leaves and pearls held in place the bride's illusion veil and she carried white cymbidium orchids and lilies of the valley arranged in a cascade bouquet.

E. D. McBrian, an uncle, gave the bride in marriage. The attendants were Miss Sue Ann McBrian, the bride's younger sister, and Michael A. Hoefel of Waterloo, Ill., a roommate of the bride.

The bridesmaid was attired in an apricot taffeta gown with a taffeta overskirt and a draped bodice with an obi bow in the back and matching shoes. Her flowers were miniature bronze 'mums intermingled with ivy and a darker shade of bronze ribbon. She wore an apricot cabbage rose in her hair and a matching nose veil.

The bride's mother selected a beige lace sheath dress with a short jacket and brown accessories. The bridegroom's mother wore in navy blue voile over taffeta with complementing accessories. Both wore white carnation corsages.

The candlelighters wore customary yellow dresses. They were Miss Kay Ellen Klinging of Risco, Ill., and Miss Laura Lee Combs of Siloam Springs, Ark., both classmates of the bride.

Ralph Seymour of St. Louis, Jackie Gregory of Franklin, Ky., a brother-in-law of the bridegroom, served as ushers.

The wedding reception was held at the home of the bride directly after the church service. Those assisting were Miss Norma Tudor and Miss Juanita Laws, also classmates of the bride, and Bonnie Gregory. Miss Sandra Kerkhove presided over the guest book. She, too, was a classmate of the bride.

The former Miss McBrian graduated from the Granite City high school and on Aug. 16 was graduated from Jewish Hospital School of Nursing in St. Louis.

Mr. Banton, an electronic technician, attended the Franklin, Ky., schools and graduated from Bailey Technical Schools August 21. He served in the U.S. Navy seven years.

After Mrs. Banton takes the state board examination for her R.N. degree Sept. 6-7 the couple will move to Rapid City, S.D., where Mr. Banton has accepted a position with Mid-West Video Co.

WARRIORS HAVE LETTERMEN at all offensive positions —but little depth—after some shifting of assignments during first week of practice. Football linemen (from left) are

Terry French, Bill Boyd, Denny Petroff, Mike Vorhees, Ray Romine, Gary Riss and Ron Yates. Backs (left to right) are Jim Parker, Bob Pyle, Larry Noblin and Bill Lierman.

MHS Will Stick With The Wing-T; Warriors Learning A New Offense

"We won't quit a winner," said Madison high school football coach Glen Pickering yesterday, indicating that the Trojans will stick with their wing-T offense this fall despite a glaring lack of personnel.

(Walt) Cooper and (Terry) Andrews are as two good backs as you'll find in the conference this year, and we'll be depending on a few kids whom I'm hoping will be 'comers' to fill the gaps," he said.

But Pickering was no more optimistic about a second straight Midwestern conference championship Sunday than he had been before practice opened four days earlier.

"We'll depend a lot on (Sam) Dymas and (John) Crensky to hold up the line," he predicted. "That's where the biggest problem is; we don't have any other boys with any experience."

Any problems in the backfield? "Yes, but not so serious," was "Pick's" answer. Cooper, a halfback, and Andrews, a fullback, will join quarterback Gary Skinner to make up three-fourths of the starting backfield.

Skinner has ability, but he lacks the experience," Pickering said. A junior, Skinner lettered last fall, but

played behind all-conference Mick Gravitte most of the season.

With school opening today in Madison, the Trojans are forced to revert to one-day practice sessions, and will hold an after school session today beginning about 2:30 p.m.

There will be some light contact work today and full dress scrimmage will begin Tuesday or Wednesday. Pickering gave his players the day off Saturday after holding two-day sessions previously, including some contact work in the rain Friday afternoon.

At Granite City, new coach Al Lewis said the first week of practice familiarizing his players with a new type of offense—and doing some position switching among the 11 available lettermen.

"Two-day practices will continue until school opens next Tuesday and, beginning today, the Warriors will hold 9 a.m. workouts in shorts and switch to late evening (7 p.m.) sessions under the lights."

TRIAL SWITCHES Position changes "They're strictly on a trial basis at this point," said Lewis, including switching and Bill Boyd to tackle, moving Norman Wilcox

from fullback to guard, Denny Petroff from fullback to halfback, and then to guard, Bob Pyle from halfback to fullback, Bill Lierman from quarterback to halfback, a position he played on a sometimes basis last fall, and Jerry Line from tackle to center.

Lewis' biggest headache is also filling gaps in the line, but he was more optimistic than was Pickering.

"Right now we have six sophomores among the first 22 and a lot of holes in the line, but I've been very favorably impressed by the kids' attitudes," he said. "Nobody kicked when we did some switching of positions, which in several cases meant moving boys who were the favorite spots," he added, "which is to me a pretty good indication that they want to play football."

The Warrior lettermen held a private meeting over the weekend to establish their own training rules and—up to a point—will do their own rule enforcing, Lewis said.

Granite City passed up a workout in the Friday afternoon rain, but came back for a two-hour session early Saturday morning where the fundamentals of Lewis' "mixed-up" T offense got a thorough going over.

Bankers Surprise Alt-Wood Fuel In Slow-Pitch Finale

Trust Bank turned on league champion Alt-Wood Fuel in the finals of the 35-Plus Slow Pitch softball playoffs Thursday night at Wilson Park and took an 8-4 win. The outcome was an upset of sorts, since the Bankers had finished four games back of Alt-Wood at the end of the season.

Two three-run innings, the second and the fourth, enabled Trust Bank to come from behind twice after Alt-Wood had taken a 2-0 lead in the first on Bob Danly's run homer.

In the second, Harry Taylor and Al Pasiek hit doubles in front of Andy Mielofsky's triple for the Bankers. Steve Horsley, who threw an eight-hitter, was the winning pitcher. Loser Paul Thompson was touched for 11 hits.

Baptists Use Late Rallies In Playoffs

Madison Baptist staged late-inning rallies in two Church Sloch Pitch Softball league post-season games late last week to win the loop's playoff trophy.

Honors runs were decisive in the Baptists' 15-14 win over Community Heights Thursday night, but three singles in the last of the seventh inning Friday provided the victory margin over Bethel Community, 6-5, in the playoff trophy contest.

Bethel took a 5-4 lead into the last of the seventh Friday, thanks largely to Ed Hessel's three-run homer in the fifth off eventual winning pitcher Frank Eaves.

But singles by Paul Fraley, Eaves and Roy Kobers, plus a fly ball, gave Madison Baptist two runs and the playoff title. The club had already won the regular season trophy. Jim Cox took the loss Friday night.

Power Is Needed Madison Baptist displayed power at the plate—and needed it—in edging Community Heights 15-14 in Thursday night's first playoff contest.

The Baptists found themselves in a 10-4 hole after Rich Batzell Community stepped past Niedringhaus and into Friday's final, 12-2.

Bethel sewed up the game with a six-run third inning which put the winners out in front 8-1. Ray Doolin had a pair of doubles and two singles for the winners. Losing pitcher Bob Niepert had three hits. Jim Cox was the winner.

Modified heat races went to Gene Hanner and Spaulding, who was the evening's fastest qualifier in 25-plus seconds on the half-mile oval, which was used for modified races only.

Amateur heats went to Don Scoggins and Taylor, while first places in fender heats were won by Harvey Nichols and Jannsen.

Next Saturday the track will feature a "double" event for fender class cars in which drivers will turn one lap on the half-mile track and follow it with a lap on the shorter, quarter-mile circuit, completing both laps 10 times.

Crown, 1-0, 11-1

Moose Lodge of East St. Louis clinched the Red division title in the Southwestern Inter-City Baseball league, Mercer Funeral Home strengthened its hold on second place in the opposite division with a double victory over Collinsville, and Granite City's Sacred Hearts moved up directly behind the Moosemen with a win over Troy in action featured in yesterday's eight-game league schedule.

Mercer whipped Collinsville twice at Fletcher field, 11-4 and 8-3, and shed closest competitor McAttee Glass of East St. Louis as the Glasmen were beaten twice by visiting Carpenter by identical 5-4 scores.

Moose dropped second place Maryville twice, and the Sacred Hearts' 7-4 win over Troy enabled Paul Schuler's club to take over second place in the Red division by half game.

Dressel Employees

OK Two-Year Contract

Inside plant workers at Dressel-Young Dairy have ratified a new contract calling for a 12-cent hourly wage increase over a two year period, Jon Dressel, dairy president, said today.

The new agreement is retroactive to Jan. 1, Dressel said. It gives workers a seven-cent increase the first of the year and an additional five cents next Aug. 1. He said previous basic wage scale for workers with three years experience was \$2.63 hourly.

About 30 employees, represented by Local 525 of the Teamsters union, are covered by the contract. They approved the pact in balloting Thursday night and Friday morning.

In addition to the pay hike, the new contract calls for increased pension and welfare payments by the company, Dressel said. New sick leave and funeral leave allowances are also granted.

Dressel said negotiations for a new contract with the company's delivery truck drivers are expected to begin early in September.

GARBAGE CONTRACT IS COSTLY TO GRANITE CITY
To the Editor:

Walter Nann, why don't you get pretentious? Your claim of looking for the good of Granite City is false.

It seems to me that you were one of the initiators of this \$147,500 contract to a St. Louis firm, depriving Granite City merchants of about \$100,000 a year in business, and depriving our state of sales tax and our city of sales tax.

You are allowing Mr. Pashea the use of city property for raising hogs, selling shingles, roofing paper, lumber and scrap iron, and a junk yard. Free of rent. This ground is city property, and paid for by the taxpayers of which I am one.

You claim that four men can pick up the garbage and trash and cover the city in one week. This is not true and they are not doing it. If you had in mind that four men could do this work, why was such a high figure of \$147,500 accepted when there were lower bids? Someone must be reaping an enormous profit.

In answer to Mr. Hammond you stated that the wind will blow profits away. Is that wind blowing profits to you? If so, how much?

You are trying to deface the character of our business agent Art Crouch. For your information he is much more of a gentleman than you can ever hope to be. I think you are a disgrace to the city and the good people of the fifth ward as his alderman.

GEORGE GALLAS SR.

SAYS ALDERMAN NOT CONSISTENT ON ECONOMY
To the Editor:

After reading Mr. Paul Rutledge's article in the Press-Record, I feel that the public should be told the truth. If anyone speaks out of both sides of his mouth it certainly is Alderman Rutledge. He talks of economy and how we could have economized, but fails to practice what he preaches.

It was Alderman Rutledge who cast the deciding vote for the gold-plated fire house for about \$300,000, but failed to save the city from the fire in the financial shape it is in.

What is wrong with Alderman Rutledge is that he was appointed chairman of the Finance Committee under the SCU report and was one of the key chairmen. But they proved very unsuccessful in running the city, and the mayor changed committees to get the city operating efficiently again.

WALTER NONN,
Fifth Ward Alderman

REMARK BY TRUMAN WILL HURT HIS PARTY
To the Editor:

I attended the Madison county fair on both Republican and Democratic days. On Republican day the key to the fairgrounds was yours - free parking, etc., for party members.

On Democratic day, the public school parking areas were restricted and a fee of 50 cents was being charged. Candidate Wilkins must be short on campaign funds. Is this legal in our Madison county school districts?

On Democratic day, the traffic was being directed by members of the civil defense corps. 12 men, to be exact. Their uniforms were khaki shirt and trousers. The red necktie that stood out like a headlight beam, a stick in one hand and an open sack of beer in the other. At least six of them were loaded and more or less sarcastic to me.

The grandstand was filled to capacity of nearly 3000, at least 90% curiosity seekers and teenagers who came to see an ex-president. Upon entry of the caravan, the ovation was outstanding and the Missouri Waltz was played twice.

When Harry S. Truman began to speak, he said that every Republican in Madison county should be ashamed to show their faces. A gentleman in the grandstand stood up and said, "I am not ashamed. I am a Republican."

Harry stepped on the Democratic meal ticket with a pair of hob-nailed shoes and punched out 70% of the meals in two punches. More power, Harry. That's the way to run the best Republican campaign manager of the Republican Party.

I heard it quoted that Harry was paid \$2500 by the Demo-

cratic party.

FOOTBALL PRIZE—
A Harbinger Of Fall

That uniquely exciting American game, football, is almost here once again. Even though baseball will continue into the first crisp days of October, when the World Series is played, football season is here to come earlier and earlier each year.

One of football's greatest advantages is that its season is accompanied by delightful fall weather, though the Warriors and Trojans began their practice drills last week amidst the hottest weather of 1962.

Unlike baseball, hockey and some other sports, the gridiron game is unique in that the greatest fan interest still centers on the high school and college levels. The professional sport is growing in popularity and at some future time it might become dominant. But for now, Quad-Cityans' attention will be directed principally to the Granite City and Madison high school fields when the topic is football.

Human beings waste a lot of time trying to appear important to others who know they are not important.

Miss Diana Jane Taylor And James Robertson Are Wed

Miss Diana Jane Taylor, a daughter of Mr. and Mrs. Ralph Taylor, 2167 Cleveland blvd., became Mrs. James Gordon Robertson in an afternoon ceremony Saturday at First Methodist Church in Normal, Ill. Rev. Irving H. Keayon performed the double-ring ceremony at 3 o'clock and a reception followed at the Holiday Inn in Bloomington.

The altar was banked with white gladioli, and a program of wedding music was provided by Mrs. Edward Wilcox of Normal, organist, and James Evans, soloist, who sang "The Ring" by Schuman, and "Father Be Thou With Them" by Bach.

Antique silk shantung was used to fashion the sleeveless, beaded gown. It featured a scoop neck, a controlled inset length skirt and a detachable train. The bride's silk illusion veil, designed by herself, was bouffant and scalloped at the edges. It was long-length, was dyed to match the dress and held in place with an antique silk chiffon pillbox. She carried a cascade of Amazon lilies and stephanotis. Mr. Taylor escorted his daughter down the aisle and gave her in marriage.

SIU Condemnation Suit Hearing To Be Wednesday
Another hearing will be held Wednesday in Madison county circuit court on appeal bond of the defendants in the Southern Illinois University condemnation suit.

The hearing before Judge Joseph J. Barr will be on appeal bond of Mr. and Mrs. Alvin I. Hutcherson and Julius Shaffer on Lewis road, Edwardsville. If approved, the action will supersede earlier decision of the circuit court to vest title of the two parcels of land in the university. The university also would not be permitted to begin construction of the utilities reservoir until an appeal to the Illinois Supreme Court is heard.

Condemnation of the two parcels of land has continued over a year with appeals and several motions being filed. Fair market value of the 82 acres was set at \$52,000 in June by a circuit court jury.

Stop Sign Charge
A charge of failing to observe a stop sign at Maryville road and Woodlawn avenue was placed against William D. Sykes, 21, of 2618 West 22nd street, who was arrested yesterday. He posted his driver's license as bond.
